

In-Kind Donations

For in-kind donations we have some restrictions in place to protect the safety, health and privacy of our patients and their families. Donated items that do not meet these guidelines must be discarded or redirected to another charity.

We are grateful for the generosity and appreciate all the individuals and organizations that bring cheer and comfort to our patients and their families.

At this time, Salvus Center is accepting donations that are mailed or shipped directly from a retailer or business, as well as in-person donations by appointment only.

For health, safety, and security reasons, we can only accept:

- New diapers both adult and children
- Prepackaged, Non-perishable food item with an expiration date greater than 6 months of the labeled expiration date.
- Unused medical supplies (please call)
- Some used durable medical equipment (please call)

Other Locations you may donate your items to:

- Gallatin Cares
- Home safe
- Goodwill
- Ramsey's Closet
- Haven House
- American Legion
